JIMMIE JOHNSON'S ALLY THROWBACK DIE-CAST

Seven-time NASCAR Cup Series champion Jimmie Johnson is definitely among the greatest NASCAR racers of all time, but when it comes to throwback paint schemes, this one may truly be the greatest. At this year's Southern 500, his last Darlington race as a full-time driver, Johnson chose to honor the other heroes with whom he shares seven-time honors – "The King" Richard Petty and the legendary Dale Earnhardt. Johnson's No. 48 Ally paint scheme for the Southern 500 captured his respect for these icons of the sport with a livery reminiscent of their most memorable paint schemes – resulting in a Lionel Racing die-cast that true collectors can't afford to miss. This striking replica is available in 1:24 scale in both hood-open and ELITE versions. A 1:64-scale model is also available. Order it now at LionelRacing.com or your favorite die-cast retailer.

NOAH GRAGSON'S LIONEL RACING DIE-CAST

JR Motorsports driver Noah Gragson will be "Driven by Die-cast" Oct. 10 when he takes on the twists and turns of the Charlotte Motor Speedway ROVAL as Lionel Racing comes aboard as his primary sponsor. This fall, this company celebrates its 10th anniversary since it was named The Official Die-Cast of NASCAR.

NASCAR fans and collectors can find their favorite Lionel Racing die-cast cars and trucks for sale at track, in hobby and collectible shops, through the Racing Collectables Club of America, and in Walmart, Target and other retailers nationwide. Gragson's official Lionel Racing die-cast can currently be found as a 1:24-scale hood-open model and in 1:64 scale. It features a die-cast body, rolling Goodyear tires, authentic decal package and more. Autographed versions are also available.

CHASE ELLIOTT'S TRUCK SERIES WIN DIE-CAST

In his first appearance in the NASCAR Gander RV & Outdoors Truck Series since 2017, Chase Elliott drove away with the checkered flag and banked a \$100,000 bonus for beating Kyle Busch at Charlotte Motor Speedway. Wheeling the No. 24 iRacing Chevrolet Silverado for GMS Racing, Elliott held off the reigning Cup Series champ to clinch his third career Truck Series victory.

Elliott's thrilling return made his iRacing Charlotte Win truck one of the most popular Lionel Racing die-casts of the season. Because it's a "Raced Win" die-cast, it's detailed with scuffs, dirt and all the damage seen on the truck in Victory Lane. Each 1:24-scale model also comes with a collector card detailed with race stats and a full-size NASCAR Winner sticker. It's also being made in 1:64 scale.
